GC AWARDS FOR EXCELLENCE: HONG KONG

After an auspicious first Awards for Excellence dinner in Hong Kong in 2010, *Global Custodian* returned to the Conrad Hotel to host our second-annual celebration on Oct. 6, 2011. Anthony Byrne, Asia-Pacific head of prime finance for Deutsche Bank, and Philippe Meroudi, member of the board of directors of Clearstream International and the group executive management of Clearstream Banking—both of whom have made significant achievements on behalf of their respective institutions and in the Asia-Pacific securities services industry—were presented with Lifetime Achievement Awards by *Global Custodian* Editor-in-Chief Dominic Hobson. We also honored Asia-Pacific-based representatives of the institutions that earned commended and top ratings in our latest surveys of custody, prime brokerage, securities lending and financing and fund administration providers. With special gratitude to the institutions that bought seats and tables to the event, we are delighted to celebrate another year honoring the securities services providers who have played a crucial role in establishing the Asia-Pacific region and its respective markets as strongholds of global finance.

GC AWARDS FOR EXCELLENCE: NEW YORK

On Nov. 10, 2011, *Global Custodian* hosted its seventh annual New York Awards for Excellence dinner at The Lighthouse in Chelsea Pier, where we honored the institutions that were commended and top rated in our latest industry benchmark surveys. This year, we also extended a special thank you to the individuals who regularly invest the significant amount of time and diligence it takes to fill out our survey questionnaires. We are particularly grateful to Deutsche Bank, which again sponsored the cocktail reception at this year's event to Credit Suisse, which sponsored the wine served at the dinner and to all the individuals and organizations who purchased seats or tables at the event. Congratulations to all the award winners—we look forward to meeting again in 2012.
